

INTRODUCING THEATER VISIONS

The company was founded by Mark Modzelewski, an American Theatre Director, Teacher and Actor. Mark earned his BA in NYC and his MFA in London. His work has been seen in USA, UK, Indonesia, Russia and Bulgaria.

A new stage is being set in Sofia. Theater Visions has arrived – a vibrant English-speaking theater and education company bringing the magic of live performance, the joy of learning, and the power of storytelling to Bulgaria's capital. Whether you're an aspiring or professional actor, a passionate theatre-goer, or simply curious about the arts, our doors are open, and the lights are coming up.

From dynamic workshops and skill-building classes to live theatrical productions, Theater Visions is here to connect people through language, creativity, and culture. Our mission is simple: to inspire, entertain, and educate, while building a community where everyone – locals, expats, and visitors alike – can share in the thrill of the arts and theatre.

Discover Theater Visions.
