It's the start of a new year, but before we move into what's new, let's take a look back at what we've accomplished in 2025.

Theater Visions moved from the old studio in Studentski Grad into the more inviting space in Mladost 1A. Mark received the key on the evening of 14 August. The move happened over the weekend with the help of Andrey, Mitko, Edward, Seva and Arturs. (Thanks guys!) And the week-long summer teen acting short course was ready to go on Monday.

The studio then hosted 2 weeks of the Drama & English Summer Academy in collaboration with Petya Lozanova (Glagolets) and Marlee Kirilova (Dancing with Marlee). We also held 2 Open House events for people to learn about the programs and visit the space.

In the fall, Mark ran 8 free theatre games workshops at SU 145 in collaboration with the school's English teachers. As for workshops and courses at the studio, there were sections for Beginner Acting for Adults, Beginner Acting for Teens, and 3 sections of "Elevate English" for kids. The studio also hosted 3 birthday parties, its first "Nishacreo" event and a family gathering. This fall also featured the return of "The Edgar Allan Poe Soirée" with an outstanding and expanded cast of 5, an assortment of fearless live musicians, 2 theatre technicians, 5 performances at KEVA and 2 at the studio. A new program called "Mommy & Me Storytime" was also launched and was guided by the dynamic duo of Petya and Marlee.

Mark was honored to be invited to two outside speaking events. He gave a presentation on Creative Intelligence at PechaKucha Night Sofia. And read an excerpt from a novel at the Elizabeth Kostova Foundation Awards Night. Whew! I guess we hit the ground running!!!

The company was founded by Mark Modzelewski, an American Theatre Director, Drama & Language Teacher and Actor. Mark earned his BA in NYC and his MFA in London. His work has been seen in USA, UK, Indonesia, Russia and Bulgaria.

Children's Workshops (grades K-6)

We've expanded our children's offerings. We're excited to introduce Drama Games & Stories for Kindergarteners and first graders. They will get involved with creative and dramatic play and experience acting out storytime. And introducing Drama Kids for grades 1-6 for those who want to start to get into a bit more acting. Our Elevate English program returns for those who want English speaking practice through theatre games and acting exercises. [LINK](#)

Acting in General American

This is a new program for Professional Actors or experienced amateurs who want to receive training on their General American dialect, but through scene and/ or monologue work. This program will help you train your ear and work on your skills at the same time. [LINK](#)

Employee Training Program

Do you need to re-energize your team or are you looking to give a spark to a new team or project? We use our areas of expertise to help you feel more comfortable with public speaking, dynamic collaboration, creative solutions and effective communication. This brand new program can be tailored to fit your needs.
